STATEMENT OF INSPECTION FOR TRUENESS TO NAME 1930

Amherst, Mass., August 7, 1930

To Whom It May Concern:

I have examined for trueness to name all salable Apple stock now growing in the nurseries of Jackson & Perkins Company, Newark, New York, and I now declare that to the best of my knowledge and belief these trees are true to variety name as they stand in the nursery rows.

(Signed) A. P. French.
